Letter from Mr.J. Hussain, Bar-at-Law, Collector of South Kanara, R.O.C.No. 4278-31-A.6 dated 28th May 1931.-

--

S.No. 128/3A (1.92) of Shivalli village, lying within the limits of Udipi Town stands registered as assessed dry. Last year one Madhwaraya Bhatta laid warg claim to this plot and threatened to file a civil suit in case it was not included in his holding, but the suit notice was recorded. He has now filed a

petitio

petition and requests that the plot may be assigned to him free of site value. In support of his claim based on long possession and enjoyment of the plot, he has produced two old documents, and a sketch prepared in 1898. The Tahsildar of Udipi on a verification of the boundaries mentioned in the documents finds that the whole plot falls within the -- boundaries mentioned in them. He also finds that the tree growth in it has been carefully protected and conserved by the petitioner. The Sub-Collector , Coondapoor on personal -- inspection finds that a portion marked B in the eye sketch does not fall within the boundaries and recommends the levy of site value only over this portion which measures 92 cents at Rs. 500 per acre. I agree with him and recommend that the site value in respect of one acre at Rs.500 per acre may be waived.

Back assessment for the last ten years will be levied in respect of the whole extent of 1.92 acres.

The connected records are enclosed.
